

Seaholm Bands

NEW MEMBER ORIENTATION

April 2019

To all incoming Seaholm Band freshman, new members, and parents:

Greetings! This letter is to welcome you to our band family. Please read the enclosed packet for the necessary information concerning the upcoming Band Camp, July 28-August 2.

*****Freshmen members:** you will have a brief and very informal rehearsal at Seaholm High School with me, our section leaders, and drum majors on Sunday, July 28th from 5:30-8:00 PM. The purpose of this rehearsal is to give you a “head start” on the techniques you will learn throughout the week of band camp. Pizza will be served after the rehearsal.

*****Freshmen parents:** there is a special meeting for incoming freshman parents as well on Sunday, July 28th. **This “Meet & Greet” gathering will be held from 7:00 – 8:00 PM in the Seaholm choir room.**

This meeting is to address any questions you may have, as well as show you the various ways you can get involved in our program. I hope to see you there!

Please visit our website at www.seaholmbands.com and fill out the New Student Contact Form. This will allow us to communicate with you as we get closer to band camp.

I have heard many wonderful things about the incoming band freshman and am looking forward to integrating your many talents into our exceptional band community.

I hope you all have a safe and relaxing summer -- camp will be here before you know it!

Tim Cibor
Director of Bands
