

Derby Band

Holiday Fundraiser

Seaholm Band Parents,

We are assisting the Derby Band with their holiday fundraiser. They are selling poinsettias to raise funds for their band program. The funds collected are used to purchase extra music, equipment, materials for the classroom and to hire sectional coaches. The school provides them with a very limited budget for these items. It's not nearly enough to cover their needs, so fundraisers are a great way to generate additional money.

Karl Eckert, Eckert's Greenhouse (34051 Ryan Rd, Sterling Heights), will secure the plants for the fundraiser. The plants were beautiful last year (see pictures to the right).

POINSETTIAS ARE THE PERFECT GIFT!

Be sure to buy several – they are great for hostess gifts, or for teachers, friends and neighbors!

You can VENMO your payment to
